

2009 Ministerial Councils

Apostolic Overcoming Holy Church of God, Inc.

Bishop George W. Ayers, PhD
INTERNATIONAL PRESIDING PRELATE

Purpose

Inspired by Jesus Christ, the Late Bishop William Thomas Phillips, founder of the Apostolic Overcoming Holy Church of God, envisioned a vehicle through which ministers, missionaries, teachers, and other leaders of the church may have continuous training in the Word of God and in the enhancement of their leadership abilities. Thus, Ministerial Councils were established in various districts. The main purpose, then and now, is to provide training for effective leadership, witnessing, and proclaiming the doctrine of Jesus Christ, the teaching of the ONE GOD, and related ministries.
